

Dear Friends:

Have you heard about our associate membership program? If you are a member of a club or organization that is already a member of the BlueRibbon Coalition, we can offer you a special associate membership. An associate membership costs \$10 for one year if you reside in USA or \$15.00 if you reside in Canada.

The associate membership entitles you to your own copy of the *BlueRibbon Magazine* delivered directly to your home. No more waiting for your turn to read your organization's copy. Also as an associate member you have voting rights and a membership card. However, an associate membership is an introductory offer and is good for only one year. At the end of your introductory year, you will be offered the option of continuing as a full member at the regular \$20 dues.

Please use the attached coupon to start your associate membership. If you have any questions, please call me at 1-800-258-3742, ext. 105. I look forward to your joining our team.

Sincerely,

Mary Jo Foster
Membership Manager
